9. What My Students Say:

“Jerrod knows what he is talking about and he’s very helpful anytime someone has a question.”

“I feel like I’ve learned more than I ever could have in any college setting. That is due in part to the hands-on experience during Jerrod’s class as well as his know-how, helpful, and friendly demeanor.”

“Jerrod has excellent knowledge of the subject matter. I enjoy his fun classroom presentations and hands-on labs.”
